10 On the basis on which compensation is to be paid to municipalities, viz three years average, the average compensation of these Sanitary Boards is Rs 60 or 6100, rounding it off to the nearest hundred. This is according to the figures furnished by the Deputy Commissioners. There is also a certificate by the Vice-Pre

that the figures furnished have been verified and are correct. In view however of the comparatively large figure the Comptroller might be requested to have the verified before the average is finally fixed:

11. Pending this, the average as arrived at from the figures furnished by the Board may be accepted as the basis for a provisional payment of the amount due for 1/2 year ending June 30. 1936. Deducting from this, the amount realised by the Board from vehicle taxes during the 1st half of 1935-36 viz 3084/8, the amount payable is 6100 - 3100 = 3000 Rs.
